Coaching Positions – Range of Coaches Required

The Auckland Rowing Club is looking for a range of coaches to cater for recent growth and also drive and develop existing squads. Coaching positions are available in all squads ranging from Novice masters through to the highly successful Senior Men.

We are looking for coaches with good technical knowledge who can communicate the basics to novices or, at the other end of the scale, can extend talented athletes as they prepare themselves to pursue higher honours.

As volunteer coaches within a club that has a view to developing self-motivated athletes, the number of on-water coaching sessions could be negotiable if this was desired by a suitable candidate.

Expressions of interest close Friday 3rd July, 5pm.

All enquiries should be directed in the first instance to the Chairman and the Club Captain:
